## Duty and Assessment

Our Duty & Assessment teams will complete a range of interventions and provide support by:

- Providing a managed service team to work as part of the Authority's duty rota.
- Determining referral threshold
- Completing assessments within statutory timescales and to local authority KPI's

## Children In Need

Our Children in Need service provides targeted planning to keep children safe and ensure families are supported by:

- Developing and implementing SMART CIN plans with children and young people
- Focusing on outcomes to step-up / step-down appropriately.
- Performance reporting in line with the Authority's internal KPI's

## Child Protection and Safeguarding

We provide robust, quality assured processes to ensure the safety of children and young people. These include:

- Maintaining an agreed caseload per worker, stepping cases up / down where appropriate.
- Tailored performance reporting with a clear focus on performance and quality
- Weekly 'Keep in Touch' meetings

## CLA Permanency Planning

We support young people taking steps into a more secure future by:

- Discharging of Care Orders / Section 20
- Completing Special Guardianship orders
- Specialist assessments including PAMS
