

About us

Xyla Health and Social Services are a leading provider of managed services across Adults and Children's Health and Social Care with over seven years' experience working in partnership with local authorities, NHS trusts and ICBs completing over 35,000 social care assessments.

Working collaboratively with our partners, we deliver high quality, cost effective and flexible solutions across a range of specialisms within health and social care. Our services provide the expertise, resource, and capability where it's needed to achieve excellent outcomes to make a positive, lasting impact on people and communities throughout the UK.

Our services:

- Social care reviews, reassessments and initial assessments
- Deprivation of Liberty Safeguards (DoLS)
- Community Deprivation of Liberty Safeguards (COP DoLS)
- Deprivation of Liberty Orders for young people
- Adults and paediatric occupational therapy and physiotherapy assessments
- Brokerage
- Trusted assessor
- Case file audits

Why work with us:

- Outcomes focused solutions
- Full project management from our highly experienced team
- Competitive pricing models
- Flexible solutions tailored to your organisation
- Quality assurance on every piece of work
- UK wide project delivery
