

# GET LIMESCALE UNDER CONTROL!

guaranteed **whole house protection** for 15 years

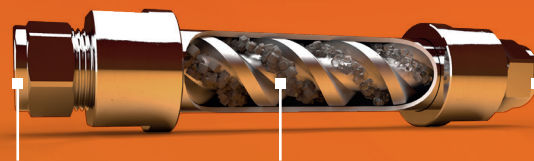

- ✓ **No electrical connection**
- ✓ **Easy to fit**
- ✓ **No harmful salt**
- ✓ **15 year guarantee!**

*The Inta ActivFlo range of water conditioners provides an efficient solution to hard water issues and limescale buildup without requiring the addition of a chemical limescale inhibitor, the removal of any waste product, or regular maintenance.*

Conforming to Part L building regulations, the WRAS-approved ActivFlo catalytic water conditioner is available with 15mm to 2" connections with a class-leading 15 year warranty.

The ActivFlo has a clean 'in-line' design which makes for quick and easy installation in both new-build and retrofit applications.

With no ongoing maintenance costs, the ActivFlo is a proven, cost efficient and trusted option for installers looking for a reliable water conditioner that is a true fit-and-forget product.
