DVSA Earned Recognition

High Speed 2 (HS2) Module

High Speed 2 (HS2) is Britain's new high speed rail line being built from London to the North-West, with HS2 trains linking the biggest cities in Scotland with Manchester, Birmingham, and London. It is the largest infrastructure project in Europe and the most important economic and social regeneration project in decades.

Through the DVSA Earned Recognition scheme, operators can demonstrate they meet the highest levels of compliance and road safety standards.

If you pass this module, it will help when you bid for this type of contract.
