

Transcription & subtitles

Making meetings more accessible

Searchable

Search for agenda points, speakers and keywords

Click transcribed text to navigate video

Fully automated, sector-leading technology

High accuracy with correction options available

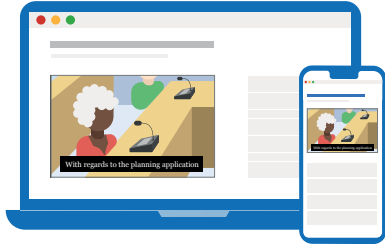

Searchable, interactive text and video player

Available for all Connect clients

Simple and straightforward

All Connect Webcasting clients have fully searchable, automated transcripts and subtitles included for free.

Accessible meetings

1 in 6 of the UK population has a hearing impairment. Meeting transcription and subtitling ensure these viewers don't miss out on vital information.

Save time & resources

Create minutes and respond to FOI requests quicker with accurate automated transcripts. Professional or self-correction available for verbatim minutes.

"We have been incredibly impressed with the accuracy of this feature [...] it is an effective tool to assist us in an increasingly pressurised and time-sensitive workplace"

Damian Eaton
Stockport MBC
