The OTPractice is a trademark of The O.T. Practice Ltd.

We have the experience, systems
and people ready to support our
Local Authority clients.

Can we help with your
waiting list or project?

www.theotpractice.co.uk

We are an independent occupational therapy practice providing a variety of outsourcing solutions to local authorities throughout the UK.

WHAT CAN WE HELP WITH?

OT waiting list

Whether it be for major or minor adaptations, equipment assessments, trials or recommendations our team have vast experience in the delivery of an outsourced waiting list.

Moving & handling assessments

Our moving & handling team are specialists in these assessments and the following risk management procedures.

Single handed care reviews

Through rightsizing care packages local authorities are able to make significant financial savings.

DOLS waiting lists

Our DOLS waiting list clearance service is very popular with our local authority clients and offers a simple and comprehensive solution.

We work with children too...

Our OT Practice kids team has a large paediatric network throughout the county who specialise in local authority projects for children. Whether it is for major or minor adaptations, equipment provision or moving & handling our team can alleviate paediatric waiting lists leaving in-house teams the opportunity to reset and focus on caseload management.
