42able

A suite of apps to
Empower schools & transform education

Built for **Local Authorities** and **Multi-Academy Trusts**

⟶ **Cut admin workload and focus on impact**

Your policy assistant provides instant, reliable answers on school policy, drawing from your official documents. Plus, effortlessly draft professional letters in seconds, saving you valuable time and ensuring accuracy.

⟶ **Smarter attendance tracking & clearer insights**

Gain unparalleled attendance insights with real-time, personalised dashboards for both local authority and school levels. Ditch spreadsheets! Our system auto-updates, letting you visualise trends and identify key patterns. Get data-driven feedback and actionable insights to make informed decisions and proactively improve student attendance, fast.
