## WE SELL OUTCOMES - NOT CCTVs

**Expert training** for your officers and back-office teams, aligned with the Environmental Protection Act 1990 and UK evidential standards, ensuring cases are prosecution-ready.

**Responsive legal support** from our experts to quickly answer all your questions and secure every step of your process.

**UK-GDPR compliance**, with a turnkey provision of all the legal documents required to install your devices.

## OUTCOMES, DELIVERED

**Significant reduction in fly tipping** in the first months after installation

**Increased enforcement outcomes** with more identification and FPN supported by structured court-admissible evidential files.

**Improved public satisfaction**, as recurring fly-tipping sites are brought under control.

**Optimized officer time allocation** reducing manual monitoring and administrative burden.

# THE COMPLETE ALL-IN-ONE SOLUTION TO FLY-TIPPING

**4G/5G, self-contained sensor, deployable** in under 10 minutes and adaptable to urban, rural and roadside hotspot locations.

**A proven and patented detection algorithm** that automatically identifies illegal dumping with optimal accuracy and no false alarms.

**An intuitive, user-friendly interface** that enables identification, processing and enforcement in 2 minutes

# TRUSTED BY OVER 250 LOCAL AUTHORITIES IN EUROPE

"Since the system was installed, 148 procedures have been initiated over 8 months, 67 resulting in warnings and 81 in fines. VIZZIA's technology has enabled us to put an end to a scourge we had been trying to fight for years."

**Mr. MILLET**, Mayor of Melun

"Since we installed the Vizzia Cams, the amount of illegally dumped waste we collect has gone down. It's almost one fewer staff-day per week spent in a truck collecting and sorting. Not to mention one fewer skip/dumpster per week."

**Mr. LOISEL** Mayor of Feucherolles

**+250 local authorities** equipped in Europe

**+100k fly-tipping incidents** detected and enforced in the last 12 months

**+100 employees** dedicated to public-sector enforcement based in Europe & the UK
